Native Prairie Restoration / Reclamation Workshop

Look to the Future, Learn from the Past

Native Prairie Stewardship Award

This award will go to a community leader who has been a steward of native prairie conservation. This person will have responded to public concerns, raising awareness and changing/implementing policies or projects that have a positive impact on native prairie, wildlife and plant species at risk, and/or the overall health of riparian or rangeland ecosystems.

Important Dates to Remember

Nomination Deadline:
January 19, 2018

Award Winners Announced:
February 7, 2018

Awards Ceremony:
Wednesday February 7, 2018 at the 6th Native Prairie Restoration and Reclamation Workshop Banquet, Saskatoon Inn, Saskatoon, SK

The Native Prairie Stewardship Award is awarded to a community leader who has demonstrated:

- Demonstration of enduring commitment to native prairie.
- Raised awareness and/or support about native prairie issues on a regional, provincial or national level.
- Has changed or implemented policies or projects that have a positive impact on native prairie, wildlife and plant species at risk and/or the overall health of riparian or rangeland ecosystems.
- Significance of the accomplishment in terms of results.
