Comments:

“Insist that schools be on time. It made the presenters rush. Presenters were lively & up beat... good with kids”

Hodgeville, Grade 3

“Very organized- great presentations full of fun & learning- Presenters were fabulous (knew info & knew how to respond to students)”

Central Butte, Grade K&1

“Our students are more informed about conservation now. It was a great morning!”

Caronport Elementary, Grade 5

“Your enthusiasm in the presenting encouraged us to be conscientious in caring for our environment & animals!”

Caronport Elementary

“The students enjoyed the opportunity to learn about conservation in another type of setting! Keep up the good work!!

Caronport Elementary, Grade 5

“There was a lot of variety and activity for the students. That was great. This was a tremendous program. Thank you for coming to our school.”

Mortlach, Ggrade 5/6

“In 29 years of teaching this was one of the best presentations I’ve experienced. What an enthusiastic and informative crew!!”

Milden, Grade 1-3

“Excellent program! Too bad that only 10 schools per year benefit from this program. It’s invaluable for the future. Please come again next year.”

Kyle, Grade 2-3
