

# Back to the Field:

## Mud and Ticks in the Sticks

The Prairie Parkland Chapter of the Society For Range Management is offering a spring workshop to help you get *Back To The Field*. This workshop is an opportunity for professionals involved in land management to brush up on plant identification and ecological health assessment techniques.

***Special Guests include: Norine Ambrose, Cows and Fish, Alberta & Jeff Thorpe, Saskatchewan Research Council, Saskatoon***

**When:** Tuesday, May 30—Wednesday, May 31, 2017

**Where:** Fort Qu'Appelle Area

**Cost to Attend:** \$200 non member

\$150 SRM member

This workshop provides important skills to professionals involved with: Agricultural Extension, Environmental Assessment, Species at Risk, Watershed Groups, Wildlife Habitat Management, Riparian Management.

**Space is limited. Registration closes Tuesday, May 23.**
