Species at Risk Habitat: The Provision of Ecological Goods and Services in Southwest Saskatchewan

Presenter: Tom Harrison, South of the Divide Conservation Action Program

Presentation Summary:
The presentation will include a discussion on how ranchers in southwest Saskatchewan are providing and marketing EGS through Results Based Conservation Agreements. These RBCAs are agreements between the SSGA and individual agricultural producers where by producers receive compensation for the provision of quantifiable habitat targets for species at risk such as Greater Sage Grouse and Sprague's Pipit.

About Tom:
Tom Harrison PAg, is currently the executive director for the South of Divide Conservation Action Program Inc. He has been involved agri environmental program delivery for over 25 years. Tom and his wife Tracy and daughter Kaitlyn manage a 250 head cow calf operation.
