

# Get Out and Enjoy the Prairies Checklist

- Learn about the history of Saskatchewan's prairie landscape at your **local museum**.
- Stay up all night with an Ord's Kangaroo Rat in the **Great Sandhills** near Leader, SK.
- Help monitor a prairie "bandit" at **Grasslands National Park** near Val Marie, SK.
- Say "howdy" to an endangered Prairie species at the **Saskatchewan Burrowing Owl Interpretive Centre** in Moose Jaw, SK.
- Visit the native plant garden/medicine wheel at the **First Nations University of Canada** in Regina, SK at University of Regina.
- Go for a hike at the **Old Man on His Back Prairie and Heritage Conservation Area** near Eastend, SK.
- Learn how to band migratory song birds at the **Last Mountain Bird Observatory** near Govan, SK.
- Explore the **Waterfowl Park Trail** at **Wascana Lake** in Regina, SK for native plants.
- Visit the **Great Sandhills Museum** at Sceptre, SK to learn about the history of this unique landscape.
- Listen for ghost bison herds at **Wanuskewin Heritage Park**, north of Saskatoon, SK.
- Tour the **Big Muddy Badlands** south of Regina, SK to see native prairie, wildlife species, outlaw caves and effigies from the past.
- Canoe alongside ducks & geese at **Valeport Marsh** near Craven, SK.

- Create your own plant & animal field guide at the **Beaver Creek Conservation Area**, south of Saskatoon, SK.
- Look for soaring raptors from the top of the **Qu'Appelle Valley** near Regina, SK.
- Camp underneath the stars at any of **Saskatchewan's Provincial Parks!**
- Support Saskatchewan producers by visiting your **local Farmers' Market**.
- Build a butterfly, bat or bird house for your yard.
- Stay at a guest ranch and go horseback riding, hiking, bird watching or all three!
- Plant native grasses and flowers in your backyard.
- Join a local nature society (i.e. Nature Saskatchewan).
- Visit the **SK PCAP website** ([www.pcap-sk.org](http://www.pcap-sk.org)) for a list of more events and workshops!

### **Friendly Reminders when out exploring native prairie:**

- Leave plants and animals in their home; take a picture or draw a picture instead.
- Remember to dispose of waste properly; take your own grocery bag for garbage when out hiking.
- Stick to the designated trails; this will ensure that you will not step on any nests or trample any native plants.
- Do not disturb or feed any wildlife you encounter.
