Grassland Matters: Some thoughts on Grassland, Native and Tame, and Why We Need More of it

Presenter: Trevor Herriot

Monday March 13th, 2017 at 7:00pm

Royal Saskatchewan Museum Auditorium in Regina, SK

"Grassland Matters: Some thoughts on Grassland, Native and Tame, and Why We Need More of it"
Why perennial grasslands, both native and tame, are important not only to the animals that graze them but for everyone; why they are overlooked as lands that must be conserved and fostered; and how producers and consumers, rural and urban, Indigenous and settler people, can work together to conserve, and expand, Canada's grasslands.
