# Native Prairie Speaker Series *Webinar*

**Speaker:**

Jolene Giacinti, BHSc, DVM, PhD (she/elle)  
Wildlife Health Specialist  
Science & Technology Branch  
Environment and Climate Change Canada

**Presentation summary:**

This presentation will provide an overview of the results from Canada's Interagency Avian Influenza Surveillance Program in wild birds in Canada over the course of the current HPAIV outbreak.

**About the Speaker:**

Jolene is a wildlife health specialist with the Science and Technology Branch of Environment and Climate Change Canada working on both the avian influenza and SARS-CoV-2 files. She recently completed her PhD at the Ontario Veterinary College in Guelph, Ontario where she also received a Doctor of Veterinary Medicine.
