Native Prairie Appreciation Week Speaker Series

Title: Riparian Range Health Assessment Training

Speakers: Norine Ambrose, Cows and Fish

Description : The riparian health assessment webinar will include information on riparian areas and discuss riparian health assessments.

Speaker: Norine Ambrose with Cows and Fish will be presenting for this webinar. Cows and Fish is a non-profit society in Alberta that strives to “foster a better understanding of how improvements in grazing and other management of riparian areas can enhance landscape health and productivity, for the benefit of landowners, agricultural producers, communities and others who use and value riparian areas”. Norine has over 20 years of experience working with Cows and Fish.
