Native Prairie Speaker Series

In Mankota, SK

Speaker:

Sheena McInnes, Frenchman - Wood River Weed Management Area and SODCAP

Presentation summary:

The presentation will be mostly a video introduction of two grazing experts speaking on using cows and goats to control weeds.

About the Speaker:

Sheena works with the FWRWMA and SODCAP throughout the southwest part of the province. Sheena went to the University of Montana and graduated with a Bachelor of Science in Biology and went to college in Lakeland College in Vermilion and graduated with a diploma in Conservation and Restoration Ecology. Sheena has lived and worked in multiple different places throughout the years but being able to work on native prairie in this area of the province has always been her favourite.
