

# 2021 Native Prairie Restoration/Reclamation Workshop *Virtual Trade Show*

The 8th Native Prairie Restoration/Reclamation Workshop (NPRRW) is going virtual! The goal of this workshop is to bring practitioners together to discuss the big picture about native prairie restoration and reclamation, with a focus on adapting to change and building resilience during a time of a global pandemic and climate change. The week long workshop will include expert speakers presenting by webinar, an online poster session, topic networking sessions and a Virtual trade show. Applications for virtual tradeshow booths are now being accepted!

## Details:

- **Date:** Monday February 1st, to Friday February 5th, 2021
- **Location:** Online—"Virtual Exhibitors Hall"
- **Expected Attendance:** 250+ participants representing native seed companies, industry, government, environmental non-governmental organizations, consultants, research and education institutions, land owners and producers from Alberta, Saskatchewan, Manitoba and beyond.
- **Times:** Virtual Trade Show Booths will be online in the "Exhibitors Hall" from Monday to Friday 8:00am to 5:00pm. A schedule of designated Trade Show times will be made available on the PCAP website (<https://www.pcap-sk.org/upcoming-events/nprw2021>) in January, 2021.
