Native Prairie Speaker Series *Webinar*

Speaker:

Clark Brenzil P.Ag, Government of Saskatchewan, Provincial Specialist Weed Control

Presentation summary:

Clark will be speaking about Invasive Weeds in Native Prairie

About the Speaker:

Clark Brenzil (P.Ag.) is the Provincial Specialist Weed Control with Saskatchewan Agriculture in Regina, SK. He provides information and recommendations on weed control to producers, agronomists, government departments and agencies, as well as municipalities. Mr. Brenzil (Clark) has experience in weed management with the crop protection industry, university research and government.

He has been with Saskatchewan Agriculture in this position since 1998.
